ADA Transition Plan for the Town of Pembroke

ADA TRANSITION PLAN FOR TOWN OF PEMBROKE PUBLIC FACILITIES OVERVIEW

To make the Town's programs, services, and facilities accessible to persons with disabilities, the Town is engaged in developing an American with Disabilities Act (ADA) Transition Plan for the town's public right of way and Town-owned facilities. The ADA Transition Plan for public facilities demonstrates the Town's commitment to providing equal access to all of its public programs, services, facilities, and activities for citizens with disabilities.

The Town of Pembroke is undertaking a survey on accessibility needs and is asking the public to provide input that will shape the Town's roadmap for public accessibility improvements.

HOW TO PROVIDE INPUT:

The ADA Self-Evaluation and Transition Plan process is currently underway and the Town would like your comments and concerns regarding accessibility to assist in the development of the Transition Plan. Please help with this process and list your concerns regarding accessibility of the public facilities within the Town of Pembroke.

To provide feedback please call or email ADA Coordinator, Amira Hunt, at 910-668-1476 or amira@pembrokenc.com.

THE TOWN IS LOOKING FOR INPUT FROM:

- People with disabilities - the Town is seeking representatives for a variety of disabilities
- Senior citizens
- Other individuals and members of groups that encounter barriers related to transportation, such as parents of children with disabilities
- People with experience and knowledge of ADA planning and requirements or also serve disabled populations
- Interested Town business owners and residents
